Refunds will ONLY be given when we receive written notice from a physician stating that the athlete is physically unable to participate in the camp. Refund requests will be reviewed by the sports camp administrator and Athletics Office of Compliance for validity. All approved refunds will incur a 15% administration fee which will be deducted from your refund amount. Please remember to bring kneepads, water, and snacks to keep your athlete fueled throughout camp! If your son or daughter does not have kneepads, that is okay! They are not required and your child will have just as much fun! If you have any campers you would like to be with when we split into groups, please email Coach Jackson at leslie.jackson@southlakecarroll.edu and we will do our best to make it happen! You will receive a camp reminder email with additional information as we get closer to May 26th. Thank you! We can't wait!
